SUBSTANTIVE CHANGES: PROGRAMMATIC (Mode of Delivery)

*Institutions that plan to offer programs via distance education delivery must first obtain approval for Institutional Distance Education. This approval indicates that the appropriate distance education infrastructure exists for successful administration of instruction via distance education delivery methods. Hybrid and Distance Education program approval must be obtained through submittal of a separate application. This may or may not be submitted simultaneously with the Institutional Distance Education Approval application. **Hybrid** programs are available via distance education for 49% or less of the required instructional hours. **Distance Education** programs are available via distance education for 50% or more of the required instructional hours.*
